Recording: The concert will be professionally recorded by Chris Hathcock. All students will receive access to the recordings once they are sent to band directors. They will be sent to band directors by Monday February 3. You may then download and share the recording with others.

Equipment: All wind players and string bass players are responsible for providing their own instruments, supplies, and equipment called for by the music. General percussionists need to bring snare drums, concert toms auxiliary percussion, cymbals and hardware as called for by the music assigned to them in their folders: i.e., wood blocks, triangle, shakers, tambourines, etc. Percussionists are responsible for providing their own sticks and mallets, including chime, bass drum and mallets. All BIG percussion will be provided, i.e., Timpani, Keyboard instruments, Bass Drum, Gong, Concert Toms, Chimes, etc. (Much like at MPA). If there are any questions or concerns, please ask your director or contact Page Newsome for clarification.

Music: Students are responsible for having prepared and printed their music before arriving at the clinic. This includes personal rehearsal, and the marking/taping of any music that requires such preparation. Please be certain to check that you have **ALL** of the music (and that it is the correct instrument and part assignment) and that all pages are legible and included in the PDF. If you think there is an error, please let your director know immediately so that the issue can be resolved BEFORE the clinic!

Clothing: Casual school clothing is acceptable for all rehearsals. Concert attire is as follows: Men – Dress pants, coat, tie, and dress shoes. Ladies – Dresses, skirts and blouses, or pantsuits and dress shoes. Attire should be all black. **NO BAND UNIFORMS!**

Attendance: Attendance at all rehearsals is **MANDATORY**. Students may not miss any portion of any rehearsal for any reason, including the SAT or college interviews of any kind. Students who must miss any of the rehearsals must give up their seat in the band. Please notify your director ASAP of any conflict, your director is to notify the clinic chair.

Late Cancellations: If for any reason a student will not be able to participate in the clinic at the last minute, the band director should notify the clinic chair as fast as possible so another student may participate in the clinic. If illness occurs on the day of the clinic, please notify your director as soon as it is determined that you will be unable to attend.
