

High School All District Clarinet Scales (page 1)

E_b

B_b

F

G

D

A

The image displays seven musical staves, each representing a different scale for the clarinet. Each staff begins with a treble clef and a key signature signature. The scales are: Eb (E-flat major), Bb (B-flat major), F (F major), G (G major), D (D major), and A (A major). The Eb, Bb, and F scales are in 2/4 time, while the G, D, and A scales are in 3/4 time. Each scale is written as a single melodic line with a descending half. The scales are marked with '3' above or below notes, indicating triplet patterns. The Eb scale has a '3' above the final three notes. The Bb scale has '3's above the final three notes. The F scale has '3's above the final three notes. The G scale has '3's above the final three notes. The D scale has '3's above the final three notes. The A scale has '3's above the final three notes.

E

The first section of the page contains musical notation for the E major scale. It begins with a treble clef and a key signature of three sharps (F#, C#, G#). The first staff shows the scale ascending and then descending. The second staff contains two triplet exercises: one ascending and one descending, each marked with a '3' above the notes.

Chromatic(slurred)

The second section of the page contains musical notation for chromatic scales. It consists of three staves. The first staff shows the chromatic scale ascending from E4 to E6, with notes slurred together. The second staff shows the chromatic scale descending from E6 to E4, also with notes slurred together. The third staff shows the chromatic scale in E minor, ascending and then descending, with notes slurred together.
